

Hi All,

The time has come for your students to go into Foundant and complete their eligibility quiz and apply for scholarships! Remember that all REGIONAL scholarships will be hosted through the online portal. So even though your students may be using a paper application, they will still need to create an online account to access the regional scholarships available.

Please visit this website: <http://www.nwmf.org/apply-for-scholarships/> and view the applicant tutorial! Students will need to create an account and take the eligibility quiz to determine which scholarships they qualify for. Remember that you can take this eligibility quiz ONCE. If there is an error the student will need to contact Chris Bell and she can reset the quiz. This site also includes a TUTORIAL for reviewers as well.

So that we can be in contact with your students next year, you will need to provide us with a list of the scholarship recipients' names and email addresses (Personal email addresses, NOT high school email addresses) no later than June 1, 2019. IF YOU USE PAPER APPLICATIONS.

If you have a selection committee or advisory committee that needs a refresher course, there is a video tutorial here, <http://www.nwmf.org/apply-for-scholarships/> or we could provide a tutorial in March if you need one. Please call Chris Bell to schedule that tutorial, and NMF staff will travel to your specified location.

Important dates to remember:

February 8-2019 – Application process will be OPEN.

March 15-2019 – Verified Scholarship amounts will be emailed to you.

April 15-2019 – Application process will CLOSE.

April 30-2019 – Scholarship decisions should be made by this date. If you need a different date, please let us know.

June 24-2019 – Email to students with instructions on the process of obtaining their award.

If you have questions, please feel free to contact us!
