

The Clare Hunt Memorial Scholarship

Clare Hunt graduated with her Registered Nursing degree from Grace Hospital in Winnipeg, Manitoba, having worked her way through school. After graduating in 1950, Clare was hired at Kittson Memorial Hospital in Hallock, where she worked for 53 years.

Over Clare's career, she served as the director of nurses, ran the obstetrical department assisting in many labor and deliveries, and was the department manager for surgery.

Clare was a very caring, calm and compassionate nurse and greatly enjoyed helping people in need.

In memory of Clare's outstanding and dedicated 53-year career to the field of nursing, this scholarship is being established.

As encouragement and commitment to the staff of Kittson Memorial and the students graduating from Kittson County schools:

-a \$500 scholarship is available to high school graduates pursuing a career in nursing.

-a \$1000 scholarship is available to all Kittson County residents who are currently enrolled in a nursing program, including those enrolled or enrolling in an Advanced Practice Registered Nursing program.

Applicants must be enrolled as a full-time student with a minimum GPA of 3.0 or higher. Applications from graduating seniors will be accepted from January – April 15th. Scholarship(s) will be awarded in May of each year.

For students already enrolled in nursing school or in an advanced practice registered nursing program (Physician Assistant or Nurse Practitioner program), applications will be accepted year-round.

Once awarded, the scholarship funds will be available following the first semester/quarter completed with a satisfactory GPA of 3.0 and when the student provides proof of enrollment for the next school term.

This scholarship is being administered through the Kittson Memorial Foundation. Questions regarding these scholarships can be directed to Cindy Urbaniak at Kittson Memorial Healthcare Center, 218-843-3612.

Complete the following application:

Step 1:

Applicant Name: _____ Phone# _____

Address: _____

School currently attending: _____
