Good afternoon,

Starting Monday, Tri-County School will be in hybrid learning. This will continue through Friday, November 6<sup>th</sup>. Students in grades PreK-3 will be attending school M-Th. Grades 4-12 have been divided into Groups A & B. These groups, bus routes, and the calendar may be found on Tri-County's webpage under the Back to School tab.

In regards to childcare & meals, a link to the form for meals or childcare needs is on our website, on Facebook and included in this School Messenger email. Please carefully fill out the survey for whichever group or groups you have students in.

Childcare is limited to children of Tier I workers as defined in the Form.

Meals are free and will be delivered on days when students are not in school. Families in the city limits of Karlstad are asked to pick up their meals at South Entrance #14 from 11-Noon. Meal delivery will be available to families outside the city limits of Karlstad.

In regards to packet delivery, we ask that all families that are receiving meals, that are not in school on Monday and Tuesday (Group B students) or who are at-home learning to please have a covered tote or cooler left outside Monday morning. Deliveries will be made to many students. Also, those students in Group B should check Google Classroom and their school email regularly.

Keeping our students, staff and families healthy is our highest priority. Thank you for your help in keeping everyone safe during this unprecedented time.

Please contact the school if you have any questions.

Thank you.
