November 3, 2020

Dear Tri-County families,

This alert is to give some information for the rest of this week as we begin Distance Learning.

First, we ask that all students check their school email and Google Classroom for assignments starting tomorrow morning. Packets are being delivered to various households so we ask that families have a tote or cooler outside their front door tomorrow. Students in grades 7-12 will be having regularly scheduled Google Meets class sessions starting tomorrow morning so we ask that if a student is gone for an appointment or will be absent for another reason, that they either call the school or email the attendance email. Attendance will be taken in the Google Meets sessions. The high school Google Meets schedule is in the Distance Learning Plan on our webpage under the Back to School 2020 plan.

The end of Quarter 1 is Friday so we ask if there are any students who need to return materials for quarter 1 grading, to please put it in their tote and we will pick it up tomorrow.

Lastly, we have worked out meals for the remainder of the week so those who signed up will receive meals for the rest of this week. Delivery will occur for those outside the city limits of Karlstad. Those individuals in the city limits of Karlstad may pick up meals between 11am and Noon from South Entrance #14. Anyone wishing to sign up should contact the office.

We will make a determination for next week's learning model by Thursday evening and communicate that message to families.

Thank you and stay healthy.
