Good afternoon, this is Ryan Baron from Tri-County School with a very important announcement. In accordance with Governor Walz's executive order released today, all schools in Minnesota will remain closed through Monday, May 4<sup>th</sup>. Tri-County Schools will therefore institute Distance Learning for all students starting Monday, March 30<sup>th</sup> and continue through May 4<sup>th</sup>. A letter will go out to families in the next day to clarify the process and a school messenger alert will be sent tomorrow with the same purpose. Our distance learning plan will also be posted on our webpage by Friday.

Tri-County School will continue to serve meals for students in need and provide childcare for Tier I Emergency workers. Please contact the school by phone or by email at [attendance@tricounty.k12.mn.us](mailto:attendance@tricounty.k12.mn.us) for more information or to sign up.

Please continue to check Tri-County's webpage for information on the closure and distance learning. It will be under the covid-19 section. We will also continue to send information by school messenger alert.

Lastly, on behalf of all the staff at Tri-County Schools, I want to wish you good health and want you to know that we miss all of our students and that we will work tirelessly to provide the best education we can during this closure. With your help and support, we will get through this together. We are #TCPROUD.
