Good afternoon, this is Ryan Baron from Tri-County Schools. As we continue to plan for potential distance learning, we are seeing a need for technology in homes. If you have students in grades 6-12 and do not have access to a laptop, Chromebook, ipad, or desktop computer, or if you need internet access, please contact the school this week by email at [attendance@tricounty.k12.mn.us](mailto:attendance@tricounty.k12.mn.us) or call the District Office. We will make arrangements to get students an appropriate device or internet access.

Again, if your child is grades 6-12 and does not have access to a laptop, Chromebook, ipad, desktop computer, or is in need of internet access, please contact the school this week by email or phone call.

Our plan for distance learning will be posted on our webpage later this week and will also conveyed by instant alert call.

Thank you.
