Greetings! The weather is starting to be warm outside! I would like to take this time to encourage everyone to get outside and enjoy the weather especially with their furry friends! Here is a picture of my best furry friend Jersey. She is a golden retriever and she is one year old. She loves spending time outside.

There are many activities that we can participate in when we look to the outdoors! Yard clean up projects, preparing the vegetable or flower garden, cleaning off the golf clubs, restringing the fishing rods, playing with bubbles, sandbox or chalk art, grilling food or roasting marshmallows are just a few suggestions. Enjoying the outdoors can take your mind off the things that you wish you could be doing.

As always, remember to; Wash hands, Practice respiratory hygiene, Avoid crowds and close contact with ill individuals, Practice social distancing to reduce risk of transmission and consider wearing a face mask when unable to maintaining a six feet distance.
