Pesticide General Notice for Parents or Guardians 2018-19

Dear Parent or Guardian:

A Minnesota state law went into effect in year 2000 that requires schools to inform parents and guardians if they apply certain pesticides on school property.

Specifically, this law requires schools that apply these pesticides to maintain an estimated schedule of pesticide applications and to make the schedule available to parents and guardians for review or copying at each school office. Guardian Pest Solutions, Inc. provides pesticide inspections the third week on the following months: September, December, March, and June.

State law also requires that you be told that the long-term health effects on children from the application of such pesticides or the class of chemicals to which they belong may not be fully understood.

If you would like to be notified prior to pesticide applications made on days other than those specified in the estimated schedule (excluding emergency applications), please complete and return the form below and mail it to Ryan Baron, Superintendent/Principal, Tri-County Schools, PO Box 178, Karlstad, MN 56732. If you have any questions regarding this notice, please contact Ryan Baron at 218-436-2261.

Sincerely,

Ryan Baron, Superintendent/Principal

Request for Pesticide Notification Form Tri-County Public Schools

I understand that the school will make available an estimated schedule of pesticide applications for review and copying at the school office. Should a pesticide application be scheduled on a day different from the day(s) specified in the original schedule, I would like to be notified. I understand that the school may ask for reimbursement for the costs of the notification.

I would prefer to be notified by (circle): *US Mail* *E-mail*
