Good afternoon,

This email is being sent to give families some important information regarding the start of the school year.

First, I want to remind families of the open house tonight for students and families in grades K-12. Information was sent out last week with agendas for each family. Please follow the information on your family's agenda. Face coverings are required. If you did not receive a mailing about this, please contact the school as soon as possible. We hope all families can make it!

Second, I wanted to let those families who have opted for at-home learning that they or at least one family member is encouraged to come to the open house tonight so that they can meet their teachers. Also, teachers will use the open house to communicate with those individuals on how at-home learning will work. Additional contact with those at-home learners will be coming shortly.

Third, bus routes are complete. This task has been more difficult this year as we have been planning for social distancing on busses as well as planning for different routes in each learning model. Bus routes can be found on our school website under the BACK TO SCHOOL tab. Please view this tab for your student's driver and pick up time. Drop off orders are also listed.

Fourth, due to screening that needs to be done in the mornings, we are asking families to please refrain from dropping students off at school before 7:50 am. Our doors will open then and personnel will be available to screen and supervise students.

I want to thank all the students and families of Tri-County School for your patience and understanding during this unprecedented time. Our goals remain to provide a quality education while keeping students and staff safe. Thank you for your help in achieving this goal.

Sincerely,

Ryan Baron
Superintendent
