Good afternoon,

We hope that Distance Learning has been going well for all families. This is a friendly reminder about this week's packet exchange.

Tomorrow, **Wednesday, April 22th**, we will be retrieving packets and delivering new ones for students in PreK-5th grade. We ask that families outside of the city limits of Karlstad who had packets delivered, to have those completed packets put in their tote/cooler by Wednesday morning. Staff will pick those packets up during the day and deliver new packets.

Families in the city limits of Karlstad are asked to drop off their completed packets to the totes outside the main entrance at the school. At the same time, families may pick up new packets. Packets will be available starting at 8am and will be available all day and evening. The main entrance will remain unlocked.

Families may return any library books and library book requests at this time as well.

We are still delivering free meals daily to students. If you wish to have your student(s) added to this list, please contact the school and we will get you on the list.

We want to thank the parents and families of this district all their hard work and support for their students. This is a new process and we realize it can be frustrating. Don't hesitate to contact your student's teacher with any questions or the district office.
