Good afternoon,

We hope that Distance Learning has been going well for all families. This is a friendly reminder about this week's packet exchange.

Tomorrow, **Wednesday, April 29th**, we will be retrieving packets and delivering new ones for students in PreK-5th grade. Families are asked to follow the same procedures as in previous weeks. Packets will be available for those in city limits starting at 8 am and will be available all day and evening. The main entrance will remain unlocked. We ask that families outside of the city limits to have packets in their totes/coolers by 7:30 am.

Families may return any library books and library book requests at the same time.

As a reminder, in accordance with Executive Order 20-41, Friday May 1st and Monday May 4th are planning days for staff and will not be instructional days. Distance Learning will resume May 5th. Meals and childcare will, however, be available on those two days.

We are still delivering free meals daily to students. If you wish to have your student(s) added to this list, please contact the school and we will get you on the list.

Please don't hesitate to contact your student's teacher with any questions or the district office.

Thank you.
